

LTE Community Health Specialist

Come work for one of the leading public health departments in the state and nation and you will contribute to our mission to protect, nurture, and advance the health of our community. The Oneida County Health Department is working hard to achieve a vision of health equity, one in which the community is thriving and all people have what they need to be healthy.

Oneida County Health Department is recruiting for a Community Health Specialist-LTE.

Role: Coordinates the Prevention and Health Management grant, focusing on diabetes and cardiovascular disease prevention and management. The applicant will engage with partners to improve access to care, promote evidence base prevention and management programs, explore strategies to improve infrastructure and sustainability of prevention and management programs, analyze and evaluate local data and program outcomes. The applicant will implement grant objectives, work plans, respond to priorities set forth by the agency, and assist with other public health priorities as assigned.

Required Qualifications: Bachelor's Degree in Public Health, Community Health Education, Nursing or related field with 1-3 years of experience. Knowledge of computerized information systems and data analysis. Skills in critical analysis, problem-solving, priority-setting, and group facilitation.

Preferred Qualifications: Advanced degree in public health. Knowledge of local, state, and federal public health programs and planning activities.

Compensation and Benefits: This is a 3 day per week position, and has a starting wage of \$25.00 per hour. No benefits are provided with this position.

Applications are available at the Rhinelander Northern Advantage Job Service Office at 51A N. Brown St. Rhinelander, WI 54501 (715) 365-1500 or at www.oneida.wi.gov. Completed applications are due at the Job Service Office by Monday, December 17, 2018 at 4:30 p.m.
