CONDUCT PUBLIC HEARING ON THE FOLLOWING:

Ordinance Amendment #15-2017 authored by the Planning and Development Committee. The ordinance amendment will repeal all of the exiting language of Article 9-Shoreland Protection Provisions of Chapter 9 of the Oneida County Zoning and Shoreland Protection Ordinance. These revisions are due to 2015 Wisconsin Act 55, 2016, Wisconsin Act 167 and 2016 Wisconsin Act 391. The provisions of Article 9 are commonly called the shoreland protection provisions and apply to structures and properties within 1,000 feet of the ordinary high water mark of a lake and/or 300 feet from the ordinary high water mark of a navigable river or stream.

This ordinance amendment #15-2017 supersedes ordinance amendment #1-2017, ordinance amendment #6-2017, and ordinance amendment #10-2017 and takes into consideration the comments that were made at the public hearings for ordinance amendment #1-2017, ordinance amendment #6-2017, and ordinance amendment #10-2017 and other Planning and Development Committee meetings where those ordinance amendments were discussed. All the language of Article 9, Chapter 9 that is new language is underlined. The underlined language in the ordinance amendment should be compared against the language now existing in Article 9, Chapter 9 to understand the changes. The ordinance amendment will also be adding definitions and modifying existing definitions to Article 10-Definitions. Furthermore, changes will be made to Article 3-Zoning, Administrative Review, and Sanitary Permits and Article 7, Section 9.72-Building Height Restrictions. The changes to Article 3, 7, and 10 are noted by strikethrough and underline.

Mr. Jennrich read the notice of public hearing into the record. The notice was published in the Northwoods River News on December 26, 2017 and January 2, 2018. It was posted on the Oneida County Courthouse bulletin board on December 21, 2017. Proof of publication is contained in the file.
