### WHERE TO APPLY:

If you are a resident of Oneida County AND have resided in Oneida County for 30 days or more, you must apply for your license at the office of the County Clerk in Rhineland. Satisfactory proof of residence is required. After obtaining the license, you may be married anywhere in Wisconsin.

If you are a resident of Wisconsin, but not Oneida County, you must apply for the license in the county where you have resided for 30 days or more. After obtaining the license, you may be married anywhere in Wisconsin.

If you are not a Wisconsin resident, you must apply in the county where the marriage is to be performed.

### DOCUMENTATION REQUIRED AT TIME OF APPLICATION:

- ALL PERSONS applying for a marriage license in Oneida County will be required to provide a certified copy of their birth certificate at the time of application. We do not accept a hospital document or a baptismal record. If you do not have this document, you must obtain the "certified legal birth certificate". **NOTE: Certified** birth certificates contain the official seal and signature of the County Register of Deeds. Faxed copies of certified birth certificates will not be accepted.
- A driver's license or State Identification Card (picture ID) and Social Security number. (If the address on the driver's license is not where you currently reside, you must bring in two pieces of dated mail, utility bill or other documentation listing both your name and current address as proof of residency.)
- If either of you have been married before, Wisconsin law requires that you are divorced at least six (6) months before remarrying. You must bring a copy of the final divorce judgment. It must show the date of the divorce and also the Judge's signature. Please check all papers very carefully; we cannot issue a license if the papers are not signed or do not show the date of the divorce.
- If either of you is widowed you must bring a certified copy of the death certificate of your former spouse.
- You need to know the exact date of the wedding. Licenses expire after thirty days, so you do not want to apply too early.
- You need to know the name of the officiant who will perform the ceremony, along with their phone number and address. If you need a Judge or Court Commissioner to perform the marriage ceremony, contact this office or refer to the list of Court Commissioners provided on this web site.
- If you are 16 or 17 years of age, your custodial parent(s) must complete a consent form, provided by the County Clerk's office, before the license can be issued.
