RE: Opening of the Oneida County Snowmobile Trail System

All trails in the Oneida County Funded Snowmobile Trail System (as administered by the Oneida County Forestry, Land, & Recreation Department) will officially open for the winter season at 8:00 am on Tuesday, December 28, 2021.

**All lake and river trails in Oneida County** are considered unsafe and should not be utilized until they have been clearly marked by a local snowmobile club. As always, the Oneida County Forestry, Land, & Recreation Department recommends riders stay on clearly marked trails. Always exercise caution when riding a snowmobile. **The trails are in rough, early season condition.**

For questions regarding specific trail conditions please contact the local snowmobile club or visit their social media pages.

For more detailed information on Oneida County Snowmobile trail riding opportunities, contact the local snowmobile club in the area that you would like to ride, the Oneida County Chamber of Commerce, or the Oneida County Forestry, Land, & Recreation Department. The Oneida County Snowmobile Map is available at <https://www.co.oneida.wi.us/wp-content/uploads/2019-2021-snowmobile-map.pdf>.
