Resolution # 86 – 2022: Offered by the Supervisors of the Administration Committee to insist upon the prohibition of the use of private donations for the purpose of election administration.

Resolution approved for presentation to the Oneida County Board by the Supervisors of the Administration Committee

Resolved by the Board of Supervisors of Oneida County, Wisconsin:

WHEREAS, during Wisconsin's 2020 General Election a private, non-profit entity, the Center for Tech and Civic Life, funded in part by Facebook founder Mark Zuckerberg, furnished approximately \$8.5 million to five Wisconsin cities and an additional \$1.6 million to over 200 other Wisconsin municipalities; and,

WHEREAS, by accepting this money, municipalities agreed to certain conditions related to election administration, which directly impacted the procedures adopted by municipalities who were recipients of the money, while other municipalities that did not receive the money did not implement the same measures; and,

WHEREAS, by accepting this money, municipalities granted special access to voter data to agents of the special interest group, including the ability to manage municipal staff and special access to the ballots; and,

WHEREAS, voters need to be able to trust that their local elections officials are acting in a non-partisan capacity and are not under the influence of private resources that might impact how an election is administered; and,

WHEREAS, the ability to accept private funds for election administration can be used by any political party or special interest group to improperly influence the outcome of elections; and,

WHEREAS, the ability of a privately funded special interest group to participate in an election in this manner allows for circumvention of campaign finance laws and creates the appearance of unfairness in election administration.

WHEREAS, to have a well-functioning election, voters need to have trust in the fairness of the process.

NOW THEREFORE, BE IT RESOLVED, the Oneida County Board of Supervisors, duly assembled on this 16th day of August, 2022, insists upon the prohibition of the use of private donations from special interest groups, people, or other private entities by government, for the purpose of election administration.

BE IT FURTHER RESOLVED, that the Oneida County Clerk is directed to send a copy of this resolution to the Governor of the State of Wisconsin, the Wisconsin Counties Association, the Wisconsin Towns Association, the Wisconsin League of Municipalities, all members of the state legislature and to each Wisconsin County Board.

Approved for presentation to the County Board by the Administration Committee this 4th day of August, 2022.

Offered and passage moved by: Billy Fried, Steven Schreier, Tom Kelly, Russ Fisher

Discussion: Schreier asked for clarification. Schreier stated this was a grant provided to entities in Wisconsin, however, Oneida County did not receive any of this. Schreier commented that Oneida County should not direct other government entities on how to run their elections. Fried stated that this resolution was passed in another county and is an advisory resolution to give direction to the state. Rio stated that this resolution is redundant as donations to the county have to be approved by the County Board and if an election donation is made the County Board would have the opportunity to turn it down. Schreier expressed trust in the clerks and poll workers that run the elections and stated that this should be at their discretion.

Roll Call Vote on Resolution # 86 – 2022: 16 Aye, 5 Nay, King, Thome, Sorgel, Schreier, Rio

Resolution # 86 – 2022: Adopted

Resolution # 87 – 2022: Offered by the Supervisors of the Administration Committee to request the State of Wisconsin revise the current real estate transfer fees revenue sharing formula.

Resolution approved for presentation to the Oneida County Board by the Supervisors of the Administration Committee.

Resolved by the Board of Supervisors of Oneida County, Wisconsin:

WHEREAS, the collection of a real estate transfer fee by counties was mandated by the State of Wisconsin in 1969, and included a requirement that counties remit 50% of all transfer fees collected to the State; and

WHEREAS, in 1981 the State changed the transfer fee formula to require counties to remit 80% of all transfer fees collected to the State; and

WHEREAS, the County, through the Register of Deeds Office, assumes the annual operating costs of recording all real estate transfers occurring in each county, including the collection of real estate transfer fees; and

WHEREAS, Oneida County real estate transfer fee collections over the past five years totaled \$5,963,713.00 of which the County retained \$1,192,742.00 and \$4,770,970.00 was remitted to the State;

WHEREAS, using a 50/50 split, the County's share of fees collected on local real estate transfers during that same five-year period would have provided an additional \$1,789,114.00 in support of local government; and

WHEREAS, in 2021 the State of Wisconsin has built up a budget surplus of approximately \$2.5 billion dollars, while many Wisconsin counties continue to struggle financially due to the ever-increasing costs of providing county government services in an inflationary economy and providing services for increasing unfunded State mandated programs along with the financial restrictions imposed by State imposed levy limits.

NOW, THEREFORE, BE IT RESOLVED by the Oneida County Board of Supervisors that in an effort to assist all Wisconsin counties, the State of Wisconsin revise the real estate transfer fee share formula to again allow Wisconsin counties to retain 50% of all real estate transfer fees collected, with 50% to be remitted to the State.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to Governor Tony Evers, all members of the State Legislature representing Oneida County, the Wisconsin Counties Association, and all other Wisconsin Counties.

Approved for presentation to the County Board by the Administration Committee this 26th day of July, 2022.

Offered and passage moved by: Billy Fried, Russ Fisher, Steven Schreier, Tom Kelly

Discussion: Register of Deeds Kyle Franson reported that statutes dictate the fees, what the state is allocated and what the county retains. Franson gave the history of the statutes and commented that there needs to be legislation to change this. Cushing stated this is also on the Wisconsin Towns Association agenda for lobbying for this change.

Roll Call Vote on Resolution # 87 – 2022: 21 Aye

Resolution # # 87 – 2022: Adopted

Resolution # 88 – 2022/Ordinance Amendment 8 – 2022: Offered by the Supervisors of the Administration Committee to amend Section 1.30 of the Oneida County Code – Adoption of Retention and Disposition Schedules.

Ordinance Amendment offered by Administration Committee

WHEREAS, Counties must keep records for a minimum retention period of seven (7) years pursuant to §19.21(5)(c) Wis. Stats., which reads:

The period of time any public record shall be kept before destruction shall be determined by ordinance except that in all counties the specific period of time expressed within s. 7.23 or 59.52 (4) (a) or any other law requiring a specific retention period shall apply. The period of time prescribed in the ordinance for the destruction of all records not governed by s. 7.23 or 59.52 (4) (a) or any other law prescribing a specific retention period may not be less than 7 years, unless a shorter period is fixed by the public records board under s. 16.61 (3) (e).

WHEREAS, prior to the destruction of records that may be destroyed, a sixty (60) day written notice must be given to the Wisconsin Historical Society pursuant to §19.21(5)(d)1 Wis. Stats., which reads:

Except as provided in subd. 2., prior to any destruction of records under this subsection, except those specified within s. 59.52 (4) (a), at least 60 days' notice of such destruction shall be given in writing, to the historical society, which may preserve any records it determines to be of historical interest. Notice is not required for any records for which destruction has previously been approved by the historical society or in which the society has indicated that it has no interest for historical purposes. Records which have a confidential character while in the possession of the original custodian shall retain such confidential character after transfer to the historical society unless the director of the historical society, with the concurrence of the original custodian, determines that such records shall be made accessible to the public under such proper and reasonable rules as the historical society promulgates.

WHEREAS, pursuant to §16.61(4) Wis. Stats., the Wisconsin Public Records Board (WPRB) approved a General Records Schedule (GRS) in May of 2010, effect until May of 2023, for records retention and disposition for use by Wisconsin Counties.

WHEREAS, adoption of the GRS allows for destruction of records after the retention period and without the 60 days written notice to the Wisconsin Historical Society for records which are listed in the schedule and designated "waived".

WHEREAS, there are three alternatives for counties in regards to adopting a schedule: 1. opt in to the approved GRS; 2. provide a revised schedule for review and approval and otherwise opt in; 3. opt out in whole and provide an alternative schedule for review and approval.

WHEREAS, opting into the GRS provides clear guidance regarding how long to keep records and what to do with those records once that time has passed; eliminates the need to develop, and obtain WPRB approval of, Oneida's own proposed records retention/disposition schedule; facilitates uniformity as to records retention and disposition; promotes the effective and resource-efficient retention and disposition of records and provides the county with legal authorization to dispose of records eligible for disposition on a regularly scheduled basis after the minimum retention periods are met.

WHEREAS, by adoption of a resolution or enactment of an ordinance and notification to the Public Records Board of the adoption under form PRB-002, Notification of General Schedule Adoption, the County may choose one of these alternatives.

NOW, THEREFORE, THE ONEIDA COUNTY BOARD OF SUPERVISORS DOES ORDAIN AS FOLLOWS:

Section 1. Any existing ordinances, codes, resolutions, or portions thereof in conflict with this ordinance shall be and hereby are repealed as far as any conflict exists.

Section 2. This ordinance shall take effect the day after passage and publication as required by law and upon approval by the State of Wisconsin Public Records Board and the Wisconsin Historical Society.

Section 3. If any claims, provisions or portions of this ordinance are adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.

Section 4. § 1.30 (3) (g) thru (ee) of the General Code of Oneida County, Wisconsin, are repealed and recreated to read as follows:

(g) Adoption of retention and disposition schedules. The County adopts, and incorporates by reference, the General Records Schedule identified as County Records Retention/Disposition Schedule approved by the State of

Wisconsin Public Records Board as of May of 2010 and any subsequent extensions, amendments or resubmissions hereto.

(h) Incorporation by reference. The County Records Retention/Disposition Schedule shall be subject to § 25.03 of the Oneida County Code.

(i) Notification of Adoption. The County Board Chair and County Clerk are authorized to provide notification of adoption to the State of Wisconsin Public Records Board and the Wisconsin Historical Society for the current County Records Retention/Disposition Schedule and any future amendments, revisions, modifications, repeals and recreations or creations of the schedule.

**Approved for presentation to the County Board by the Administration Committee this 8th day of August, 2022.
Offered and passage moved by: Billy Fried, Russ Fisher, Steven Schreier, Tom Kelly**

Discussion: Corporation Counsel Mike Fugle stated this was brought forward to update the retention schedule for the county. Fugle stated that when adopting a retention schedule notice to the state needs to be given and there is no documentation that the notice was given. Fugle stated that this resolution would adopt the State schedule and Oneida County will follow what the state records board has passed for a retention schedule. Fugle stated that this will be in effect until the County Board determines they want to change it.

Conlon explained that they looked at the organization of other departments and other health departments and a plan has been created that will provide better supervision at the Health Department. Conlon is requesting that they replace the assistant director with two Public Health Supervisors which will reduce the span of control.

Rhodes explained that there is an outside consultant that helps with cybersecurity recommendations.
