

HODAG COUNTRY FESTIVAL
2020 SAFETY PLAN RELATIVE TO COVID-19

1. Offer ticket refunds or rollovers to 2021 for those uncomfortable attending this year's event.
2. Inform employees/volunteers not to come in to work if they exhibit any COVID-19 symptoms or were knowingly exposed to COVID-19.
3. Screen employees/volunteers for fever and other COVID-19 related symptoms at start of each shift.
4. Install Sneeze guards at t-shirt stand, front office, tickets booths, bars, camping office.
5. Provide a mask for employees and volunteers.
6. Masks for attendees – suggest they bring their own face mask but provide a mask if they do not have one.
7. Video wall spots encouraging social distancing, wearing of face masks and proper usage, frequent handwashing or sanitizing, self-quarantine if symptoms appear, etc. Health Department input on wording.
8. Post signs relative to wear a face mask/face masks available, social distance, stay home if you have symptoms of COVID-19 or were exposed to someone who does, etc. Health Department input on wording.
9. Hand wristbands to customers to put on and watch that they are put on properly. HCF is utilizing a new cloth-style wristband this year.
10. Carry-ins will be visually checked by HCF employees; customer opens and closes cooler.
11. There will be no busses for transportation from Overflow to Main Grounds to Parking Lot.
12. There will be no chair line in the entertainment area on Wednesday, July 8th.
13. Chairs in the entertainment area – we are considering different options based on status of COVID-19 at the time of event (lines 6-feet apart, no chairs allowed except for people with disabilities).
14. Considering opening gates for camping on Tuesday, July 7th as opposed to Saturday, July 4th if the Health Department thinks this would be beneficial.
15. Limit capacity in loft, party deck, pavilion and skybox seats based on guidance for July.
16. Limit the number of available weekend wristbands to 16,000.
17. High touch areas to be sanitized every two hours.
18. Bathrooms sanitized frequently.
19. Shower attendant to sanitize between each stall use.
20. Use fogging sanitizer to sanitize large areas such as shower buildings, bathrooms, bar and backstage based on Health Department recommendations.
21. Hand sanitizer kiosks at each entrance to pavilion, backstage, gates, and bathrooms.
22. Additional hand sanitizer dispensers to be located at shower buildings, security office, camping office, Sheriff's office, EMT building, etc.
23. Hand sanitizer dispenser in every porta-pottie, as well as outside porta-potties in high traffic areas.
24. Send Health Department's guidance/requirements to vendors.
25. Other ideas from Health Department.
