

Bubba's Bog Bash: COVID-19 Protections

Our entire Bog Bash event will be held outside in an 80 acre open field with a stiff west breeze. There are no permanent buildings or confined areas. Parking will be located at the Town of Nokomis Park. Social distancing banners will be placed at all entrances.

Camping: We do not have specific-sized camping spots. Campers may use as much space as they feel necessary.

Vending: All vendors will be spaced at least 30 feet apart. Food vendors will adhere to the guidelines provided by Todd Troskey. Picnic tables will be at least 6 feet apart.

Bars: To prevent lines and overcrowding, we will have 3 bars spread out in the event area.

Races: There is ample seating and standing room for spectators to enjoy the mud bog races while practicing social distancing.

Sanitation: There will be at least 14 hand washing stations located by the portable bathrooms and bar areas. All bars will be equipped with hand sanitizer. We will also have a full-time employee sanitizing the portable bathrooms and bar surfaces.
