Resolution # 37 – 2023: Offered by the Supervisors of the Planning and Development Committee to approve the Public Participation Plan to update Chapter 26.

Oneida County Public Participation Plan (PPP)

Oneida County recognizes the importance of public participation in the planning process. As such, a goal during the comprehensive planning process will be to inform and involve the public in the planning process.

I. Plan Development:

Throughout the plan process, the Planning and Development Committee will provide oversight for the update of Chapter 26 “Oneida County Comprehensive Land Use Plan Ordinance” of the Oneida County General Code. The P&D Committee will also recommend adoption of the Public Participation Plan (PPP) to the Oneida County Board of Supervisors.

Public participation will incorporate the following:

1. All meetings for the planning process will be posted and open to the public.
2. Towns will be contacted periodically throughout the process.
3. Plan-related materials will be available at the Courthouse for public review.
4. The draft plan and maps will be available on a website for public review.
5. A public hearing will be held to solicit comments from the public.
6. The Oneida County Comprehensive Land Use Plan will be distributed as outlined in state statute.

The P&D Committee will review and recommend adoption of the Oneida County Comprehensive Land Use Plan. The Oneida County Board of Supervisors will adopt the Oneida County Comprehensive Land Use Plan by ordinance.

II. Implementation, Evaluation & Update:

The Oneida County Comprehensive Land Use Plan is a general guideline for future development in the County. The plan will support existing zoning and other regulations that are in place. As with all plans, it is critical for the Oneida County Comprehensive Land Use Plan to be maintained and updated on a regular basis to keep it current as things change.

Any planning process is subject to change, and this public participation plan is no different. Over the planning period the process may vary from that presented.
