APPROVE CURRENT AGENDA WITH THE ORDER OF AGENDA ITEMS AT CHAIR'S DISCRETION

Motion by Mott to approve the current agenda with the order of agenda items at Chair's discretion. Second by VanRaalte. All aye, motion carried.

DISCUSSION WITH ECONOMIC DEVELOPMENT ON POTENTIAL DISABLED ACCESS PROJECTS

Jeff VerDoorn from Economic Development attended the meeting to see the property and assess potential ADA projects that may be available for funding. Grant funding is available for improvement projects, not development projects. Should know if the project is approved by the end of January.

Potential plans: Handicapped accessible pier with a walkway from the parking lot to the pier; parking lot for 5-6 vehicles

Krueger stated the Town of Enterprise would like little development, but would be okay with a parking lot, pier and ADA path to the lake.

VerDoorn requested photos of the prior pier that was on the property at the time of purchase, a photo of the proposed ADA accessible pier, and a photo of the property.

If the Town of Enterprise wants the lakes to be designated as non-motorized, they will; need to make the request to the DNR.

ADJOURNMENT

With business completed, Chair Sorensen adjourned the meeting at 1:21 p.m.
