Accreditation: We were joined by Dianne Jacobson, Director of the Department of Aging. She informed us of the upcoming name change on January 1, 2019, to ADRC, Aging and Disability Resource Center of Oneida County. There will be some changes, our meetings will no longer need to follow the previous structure, however we will continue to meet as previously to discuss and advise our Activities Director. It is hoped that we will continue to promote The Center's activities to attract more clients and not just the older seniors. We are only one of a few centers having daily activities in addition to the meal program in Wisconsin.
